

**Read each statement and decide whether it is true or false. Circle your choice.**

- T F 1. Test questions should be answered in the order they appear no matter how long it takes for each answer.
- T F 2. If there is time left after finishing a test, you shouldn't review your answers.
- T F 3. It will save a lot of time if you don't read the directions given within the test.
- T F 4. If there is a time limit on the test, you should spend more time on questions you are not sure of.
- T F 5. If you're not sure of an answer, it's okay to guess.
- T F 6. With a multiple-choice question, you don't need to read all of the possible choices before answering.
- T F 7. After answering each question, it's a good idea to make sure you have marked the answer you meant to mark and to make sure the number of the test question matches the number on the answer sheet.
- T F 8. If you're not sure of the answer, partial knowledge can sometimes help to eliminate some answer choices.
- T F 9. It is good to be nervous while taking a test.
- T F 10. After your teacher has explained about taking the test, you should only ask a question if others do.

*Answers:* 1-F, 2-F, 3-F, 4-F, 5-T, 6-F, 7-T, 8-T, 9-F, 10-F
