This handbook provides a summarized version of the disciplinary policy and rules adopted by the Board of Trustees of the Post Falls School District. More complete information, rules and policies are set forth in the Post Falls School District policy manual. Students have the responsibility to know, respect and abide by the rules, policies and regulations of the school district. A copy of the manual is kept in the principal's office and the high school library for your review.

COMPLAINTS AND GRIEVANCES

Problems are best resolved at the building level. Parents and students have the right to an informal conference with the building principal or designee for the purpose of resolving the problem. If the differences are not resolved, parents and students have the right to present their grievance orally or in writing to the assistant superintendent. If the grievance is still not resolved, parents have the right to present their grievance to the superintendent.

Student-initiated class changes are discouraged. Students who drop a class after nine days will receive an "F" in that class.

DRIVER TRAINING

Driver education is offered to all students. Those selected are chosen by birth date. All information regarding sign-up will be in the daily bulletin. Foreign exchange students may not participate in Driver Education.

IDAHO STANDARDS ACHIEVEMENT TEST

All students intending to graduate will be required to pass the ISAT, Idaho Standards Achievement Test. The state examination is a three-part computer delivered assessment in Math, Language Arts and Reading.

MAKE-UP WORK

It is the student's responsibility to check with the teacher and to complete the required make-up work (normally outside of class time) within the allowable make-up period following the student's return to school: (1 day absence = 1 day's make-up period, etc.) Major projects with due date known well in advance are exempt from this make-up time allowance.

Unexcused absences and /or truancies will result in a zero for assignments and tests given on the day of the absence. Grades may not be lowered as a result of excused absences, but if a student who was absent is given a reasonable opportunity to make up missed work and fails to do so, this non-performance may be reflected in grading. Work missed due to out-of-school suspension may be made up.

HONOR CLASSES

Honor classes are offered in the areas of English, Math, Social Studies and Science. To remain in honor classes, students must maintain a 2.0. Selection for these classes is based on teacher recommendations, ISAT scores and entrance tests.

PLAGIARISM

Plagiarism is defined as the act of presenting other people's ideas and writings as one's own, and/or not giving credit to the original source(s).

Consequences of plagiarism: 1st offense student receives a zero on the assignment. 2nd offense student receives an 'F' in the course.

PROGRESS REPORTS

During the fifth (5th) week of each nine (9) week period, a report will be provided to the students and parents. Grades and attendance can be accessed anytime at www.sd273.com/pass. Contact the counseling office for student ID number and PIN.

REPORT CARDS

Report cards are issued by each teacher every nine weeks for grades earned by each student. Students and parents may expect report cards within a week after the grading period.

Semester grades go on the permanent record. Nine-week grades show a student's progress in his/her classes.

SELECTION OF VALEDICTORIAN AND SALUTATORIAN

The counselor, administrators and teachers of junior and senior classes shall form the selection committee for valedictorian and salutatorian. Primary criteria shall be the highest G.P.A. for 3 1/2 years in academic classes and the performance, type, number, and difficulty of courses taken, with particular emphasis on honors classes during all 4 years. Honors classes and academic college courses dropped during the senior year will affect the final selection. Exemplary attitude, number of full credit classes taken, and attendance may be considered as secondary criteria. Early graduates and transfers after the first semester of grade 11 cannot be considered. The committee will avoid naming more than one valedictorian and one salutatorian unless there is an almost identical record on all criteria.

Attendance/participation/effort will account for 10% of the grade. In order for an absence to be excused, oral or written communication from the student's parent/guardian should be received within 48 hours of the last day of the absence. Failure to notify school officials will result in the absence remaining unexcused. Students with parent/guardian excused absences due to illness may be required to submit medical verification of illness after a total of nine (9) absences per semester or after the fifth (5) consecutive absence. Students who exceed the policy may appeal to the Principal.

Six (6) unexcused absences and/or truancies and /or A5 in any class will result in loss of credit. Students who exceed the policy may appeal to the Principal.

If a student is going to be absent from school, we ask the parent to call the school office before 9:00 a.m. on the day of the absence.

Parents are encouraged to schedule doctor and dentist appointments before or after normal school hours.

Please note that for your convenience, you may call the school at anytime regarding your student's absence. Please call 773-3839, or call 773-0581 at ext. 6312 and leave the following information:

1. Name of the student
2. Date(s) of absence
3. Reason for absence
4. Grade in school
5. Expected length of absence

If your son/daughter has an unexcused absence for one or more periods, you will receive a computerized call at your home. If there is a question as to why your child is absent, call Mrs. Kohoutek (the attendance clerk). 773-3839, or 773-0581 at ext. 6312.

PREARRANGED ABSENCES: The following should be prearranged in the office: Parental request for trips, vacations, medical-dental appointments, funerals, court appearances, and other planned absences. Students are to complete a "Prearranged Absence" form one week prior to the absence.

EXCESSIVE ABSENCES – TARDIES: It is the policy of Post Falls High School that it is the teacher's responsibility to make referrals to the office for excessive absenteeism and tardies. The teacher's attendance card is the school's official attendance record.

A student who is more than five (5) minutes late for a class will be counted absent for that class.

UNEXCUSED ABSENCES: Definition: In order to have an absence excused, the student must bring a note or a parent must call within two days after the absence. If the attendance office is not notified, the absence remains unexcused. All students must check out of school after having attended any part of a class. If a student does not check out through the office, the absence will become a truancy. Six (6) unexcused absences in any class will result in the loss credit in that class. Students who exceed the policy may appeal to the Principal.

TRUANCY – A student is truant whenever he/she is absent from school or class without consent of the student's parent/guardian or school officials. Examples of truancy include but are not limited to extended restroom breaks, wandering the halls, sitting in the library while class is in session, etc. Students must check in with the attendance secretary before going to class if they arrive late. Students must check out with the attendance secretary **prior** to leaving to avoid being marked truant. **Parents can not excuse trancies.** Six (6) trancies in any class will result in the loss credit in that class. Students who exceed the policy may appeal to the Principal.

TARDIES: A student is tardy if he/she is not in his/her seat when the tardy bell rings. Teachers will record each tardy on their attendance records. **Students who arrive late must check in at the attendance window.** Students who do not check in will be marked Truant.

Tardies will be dealt with as follows:

- 2 unexcused tardies – Detention
- 4 unexcused tardies – In-House suspension w/ call home
- 6 unexcused tardies – 1 Saturday School

Additional tardies will result in continued Saturday School. Failure to attend Saturday School will result in an out of school suspension. Tardies accumulate through the semester and do not start over after an in-house suspension or Saturday School.

HALL PASSES

Students should have a hall pass in their possession to be out in the halls or on school grounds during class time. It is the student's responsibility to get the pass from the teacher. Students who abuse hall privileges will have those privileges revoked. Being out of the school building or on the grounds without a pass, will subject students to administrative discipline.
