

Bulletin for Friday, March 12th

STUDENTS:

This is to remind all students that perfumes, colognes, hairsprays, body sprays, and the like, are not to be sprayed while you are in the building. We have many students and staff who are allergic to fragrances, and when sprayed, can pose a health risk to them. Thank you for your help in this area.

“CLOVERS FOR THE CURE” Today, during your lunch time, you will have an opportunity to purchase a clover for a friend that will be delivered to his/her sixth period class on St. Patrick’s Day. All of the money raised will be donated to the St. Jude Children’s Hospital to help children who are fighting life threatening diseases such as cancer. Each of the shamrock clovers will cost \$.50, and will also include a sucker. If you choose, you can keep the sucker and write your name on a clover to hang in the front of the school! Remember, “Clovers for the Cure” begins today! Let’s help children fight cancer!

Today is the last day to hand in new applications for National Junior Honor Society. They must be in the office by 2:30PM. Thank you!
