

There are many ways to volunteer at your child's school. Sometimes people don't know about the many different ways that they can help.

We have at least 2 current areas of need: reading and working with students and a balance board.

We have specific times for this so if you can commit to it, please contact our volunteer coordinator at Seltice at 773-1681. You can make a difference in a child's life.

**Volunteer!**
