Dear West Ridge First Grade Families,

Welcome to West Ridge from our entire staff! We are expecting your child to attend West Ridge in the fall. Since so many things can change through the summer, we do ask that you register your child with the most current up to date contact information when our office reopens starting August 19. Please call 773-7291 for office hours at that time.

Your child's first grade class assignment will be available to you in the office on Thursday, Sept. 2. Due to meetings and classroom preparations, we ask that families do not drop in and visit with teachers during work hours the week before school begins. On Thursday, Sept. 2, you are welcome to informally bring your child from 2-3:00 pm to meet the teacher and see the classroom. You are also welcome to bring your child on the first day of school (Sept. 7) directly to the classroom between 8:30 and 8:55 when the bell rings. At that point teachers will want to begin teaching important school procedures.

I encourage you to visit our school website over the summer to become acquainted with our school, teachers, and some great educational sites for your child to use at [www.pfsd.com](http://www.pfsd.com). Click on the "schools" tab, then West Ridge and use the links for updated school information, teacher biographies, reading sites and educational/parent resources. You also can print the registration form from this website.

We look forward to meeting all families at our open house on Thursday, September 16!

Sincerely,

Mandy Surratt
