

Post Falls High School

Recommended Supply List to Enhance Student Success

Loose Leaf Paper

Three Ring Binder

Spiral Notebook

Pens (Blue or Black)

#2 Pencils

Parent Note:

Please be aware that teachers may have a specific recommended supply list for their class. Also, please continually check throughout the school year to make sure your student still has these supplies and replenish them as needed.

Many stores will donate a portion of your purchase cost to the school of your choice. Ask your cashier if there is such an opportunity at that store when buying school supplies. If so, please state that these supplies are for your student who attends Post Falls High School and that you would like your percentage to go there.
