The Board of Trustees encourages parent involvement in the educational process. Parental involvement means the participation of parents in regular two-way, meaningful communication concerning student academic learning and other school activities. The Post Falls School District will ensure

1. that parents play an integral role in assisting with their child's learning,
2. that parents are encouraged to be actively involved in their child's education at school, and
3. that all parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the educational process.

The school district will provide for parent participation in operation programs, activities and procedures in all schools. All schools will have a parent involvement protocol and a school/ parent compact in place.
