This handbook provides a summarized version of the disciplinary policy and rules adopted by the Board of Trustees of the Post Falls School District. More complete information, rules and policies are set forth in the Post Falls School District policy manual. Students have the responsibility to know, respect, and abide by the rules, policies, and regulations of the school district. A copy of the manual is kept in the principal's office and the high school library for your review.

The PFHS administration and staff believe in a partnership between school and home. Ultimately, responsibility for a student's behavior rests with the student. The school hopes that parents will be concerned and cooperative in reinforcing behavioral expectations with the student in an effort to foster a culture of mutual respect.

COMPLAINTS AND GRIEVANCES

Problems are best resolved at the building level. Parents and students have the right to an informal conference with the building principal or designee for the purpose of resolving the problem. If the differences are not resolved, parents and students have the right to present their grievance orally or in writing to the assistant superintendent. If the grievance is still not resolved, parents have the right to present their grievance to the superintendent.

ACADEMICS

CLASS CHANGES

Student-initiated class changes are discouraged. Students who drop a class after nine days will receive an "F" in that class.

MAKE-UP WORK

It is the student's responsibility to check with the teacher and to complete the required make-up work (normally outside of class time) within the allowable make-up period following the student's return to school: (1 day absence = 1 day make-up period, etc.) Major projects with due dates known in advance are exempt from this make-up time allowance. **Unexcused absences and /or truancies will result in a zero for assignments and tests given on the day of the absence.** Grades may not be lowered as a result of excused absences, but if a student who was absent is given a reasonable opportunity to make up missed work and fails to do so, this non-performance may be reflected in grading. Work missed due to out-of-school suspension may be made up.

HONOR CLASSES, ADVANCED PLACEMENT, DUAL CREDIT

Honor classes are offered in the areas of English, Math, Social Studies, Spanish and Science. Selection for these classes is based on teacher recommendations, ISAT scores, and entrance tests.

PLAGIARISM

Plagiarism is defined as the act of presenting other people's ideas and writings as one's own and/or not giving credit to the original source(s). Students who cheat on tests and/or assignments, or aid another who is, will receive a zero. Consequences of plagiarism: 1st offense, student receives a zero on the assignment. 2nd offense, student receives an 'F' in the course. This rule applies to all classes providing credit for graduation.

PROGRESS REPORTS

Parents/guardians will receive an online weekly report emailed to them through Skyward. Grades and attendance can be accessed anytime through Skyward. Contact the counseling office for login and password information.

REPORT CARDS

Report cards are issued by each teacher every semester for grades earned by each student. Students and parents may expect report cards within a week after the grading period. Semester grades go on the permanent record. Nine-week grades show a student's progress in his/her classes.

SELECTION OF VALEDICTORIAN AND SALUTATORIAN

The counselors, administrators, and teachers of junior and senior classes shall form the selection committee for valedictorian and salutatorian. Primary criteria shall be the highest weighted and unweighted G.P.A. through the end of 1st semester of senior year in academic classes and the performance, type, number, and difficulty of courses taken, with particular emphasis on honors classes during all 4 years. Honors classes and academic courses dropped during the senior year will affect the final selection. Early graduates and transfers after the first semester of grade 11 cannot be considered. The committee will avoid naming more than one valedictorian and one salutatorian, unless there is an almost identical record on all criteria.

ACTIVITIES

ACTIVITY SURCHARGE

The activity surcharge is a one-time \$75.00 per school year fee. This will be assessed to each student participating in a sport or activity. UNEXCUSED ABSENCES – If the attendance office is not notified within two days, the absence remains unexcused. All students must check out of school after having attended any part of a class. If a student does not check out through the office, the absence will become a truancy.

- 4 unexcused tardies – In-House suspension w/ call home
- 6 unexcused tardies – 1 Saturday school

Additional tardies will result in continued Saturday school. Failure to attend Saturday school will result in an out-of-school suspension. Tardies accumulate through the semester and do not start over after an in-house suspension or Saturday school.

HALL PASSES – Students should have a hall pass in their possession to be out in the halls or on school grounds during class time. It is the student's responsibility to get the pass from the teacher. Students who abuse hall privileges will have those privileges revoked and be subject to administrative discipline.
