

## PFSD Board of Trustees Approves Level of Operations for Start of School

On August 18th, the Post Falls School Board of Trustees approved the Level of Operation for the September 8th start of the school year. The district will start in Orange as per the PFSD Reopening Plan 2020-2021.

PFSD schools will start with an alternate A/B day hybrid schedule where learning will be part-time in school and part-time at home. **This ensures our ability to socially distance students in class.**

- **Cohort A** (students with last names starting with A through K) attend school on Monday and Thursday with online learning activities on Tuesday, Wednesday and Friday.
- **Cohort B** (students with last names starting with L through Z) attend school on Tuesday and Friday with online learning activities on Monday, Wednesday and Thursday.

Accommodations will be made for families with children who have different last names to ensure they are on the same schedule.

Below is an example calendar if the district stays in Orange through first semester with Cohort A represented in orange and Cohort B represented in grey.

**Please note the Reopening Plan and level of operation is subject to change in accordance with new guidance from the CDC, Governor's office, SBOE, SDE, IHSAA, Panhandle Health and other state and local officials.**
