- The district will notify parents of acceptance and the effective start date or denial.
- Transportation of open-enrolled students is the responsibility of the parent/guardian.

### Decision-Making Criteria, Revocation, and Appeals:

#### Space Availability

All applications will be considered on a stringent space-available basis. In the event there is not space available in the grade level, class or program requested, the student will be placed on a waiting list in the order of the date and time of the request.

**Attendance and Disciplinary Infractions**

Open enrolled students are expected to follow all discipline and attendance policies and regulations applicable to all Post Falls School District students. Failure to meet these conditions may result in revocation of this Open Enrollment transfer and return to his/her resident school.

**Appeals**

Appeals of an administrator’s denial or revocation of open enrollment for students residing within the Post Falls School District boundary will be directed to: PFSD Assistant Superintendent except for denials based on space availability, in which case the administrator’s decision is final.

## **POST FALLS SCHOOL DISTRICT NO. 273**

Series 500: Student Policy: Admission

Policy No. 502.3

Policy Title: Student Enrollment Options

Page 1 of 2

Both Post Falls School District resident and non-resident students may apply for attendance in Post Falls schools pursuant to the enrollment options program as provided by district policies. A non-resident student (out-of-district student) is one attending schools in a district other than his/her home district. A resident student is one attending school in his/her home district.

A student's residence is that of his/her parent or guardian, providing, however, that the residence of a student between the ages of 18 and 21 is determined by the actual bona fide residence of the student without regard to the residency of his/her parent or guardian.

A Post Falls School District resident student may request a transfer to another school within the Post Falls School District. The requesting resident student may be accepted for attendance at another school within the district when the acceptance would not work a hardship on the Post Falls School District and when the acceptance would meet the standards and guidelines set out in district policies.

A non-resident student may be accepted for attendance in the Post Falls schools under the enrollments option program described in I.C. 33-1402, where tuition would be paid by the home district or waived as described in I.C. 33-1404, when the acceptance would not work a hardship on the Post Falls School District and when the acceptance would meet the standards and guidelines set out in district policies.

Priority for admission to the Post Falls schools shall be given in the order as follows:

1. All in-district students and all those out-of-district students who were enrolled and in attendance in Post Falls schools the prior year providing the out-of-district student remains in continuous attendance in Post Falls schools;
2. Out-of-district students who are placed by court order under provisions of the Idaho Youth Rehabilitation or Child Protective Acts and reside in licensed group homes, agencies and institutions located within the Post Falls School District;
3. Homeless children and youth as defined by the Stewart B. McKinney Homeless Assistance Act (P.L. 100-77) when it is determined to be in the best interests of that child;
4. Out-of-district students included in district-to-district agreements wherein the sending school contracts with the Post Falls School District to educate specific individuals or groups;
5. Out-of-district students whose parents are employed by the Post Falls School District;

The non-resident student, or his/her parent or guardian, shall be responsible for transporting the student to and from the school if the requested admission or transfer is granted. A resident student does have to provide transport.

No out-of-district student shall be admitted to Post Falls schools when such student has been suspended from or expelled from another school district or is under suspension, expulsion or other disciplinary proceedings in another school district. The application of a resident student for transfer to another school within the district may be rejected when such student has been suspended or expelled from school or is under suspension, expulsion or other disciplinary proceedings.

An out-of-district student who applies and is accepted for admission to the Post Falls schools, but who fails to attend, shall be ineligible to again apply for an enrollment option in the Post Falls schools unless one or more of the standards set out in Items 1 through 4 above are applicable as determined by the Superintendent or his/her designee.

The provisions set out herein are not intended to and shall not prohibit the Board of Trustees from prescribing non-discriminatory preconditions or standards for admission where necessary to protect the health, safety and welfare of its existing students and/or to protect its educational process.
