STUDENT INSURANCE

Post Falls School District #273 does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are handed out at the beginning of the school year, and are available at the school office after that time. Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and part of the growing-up process our children go through. Parents, please be prepared to pay for your child's possible medical expenses that may arise should your child be injured at school.

I have read and understand the above information concerning medical insurance coverage.
